

## Myth = They're Separate

Art

Science

Savage:  
Aristotelian story arc is similar to scientific method played out.

Main idea: Design is key to successful eLearning.  
Design for Look, Feel, Intuitive Use

## DIY Design

How to easily create your own design assets

Not badgers

## Badges

- IBM's Badge Story
- Zip folder - Open Digital Badges

## THE BRAIN & LEARNING DESIGN

My notes on Art Kohn's presentation on learning & brain science

## Highlights

All available Dev Learn presentations

## Sticky Interactive Infographics

Johnny Hamilton's slides on Sticky Infographics

Live example of sticky infographic

Example App: Task Rabbit

Example App: SickWeather

Main idea: Constant connectivity and access to data will shape how we learn & process information

My notes on Michael Sheshaye's presentation on using Storyline for comics

Main idea: Use Storyline to create comic panel format for interactive storytelling

## Motion Comics Interactions with Storyline
